Don't miss DaSilvas Show & Shine for Sick Kids Sunday, May 31, 2009

Our second annual Show & Shine sponsoring Sick Kids Hospital will be on Sunday, May 31, 2009 at our facility in Pickering. You don't want to miss this event for the whole family, everyone is welcome! Doors will open at 10 AM. The entry fee for the competition is \$10.00 per car, all are welcome and cars do not need to be Mustangs, with all proceeds from the day's events going to The Hospital for Sick Children. We're asking that competitors bring \$10 bills if possible to help speed things up. Last year, with the help of our customers, we raised over \$7000.00 and our goal this year is to beat that. Come out for a fun filled day and a great cause.

All judging of cars for each class will be done by kids! We are looking for 10 volunteers, between the ages of 8 and 12, please call Joe at 905-837-7700 if you're interested. Awards will go to the best of the following categories; paint, engine compartment, interior, convertible, cleanest / neatest, all original old school fox body and others such as the furthest attendee and the craziest car – from interior to wheels!
Please note: No swaying of judges with candy or chocolate bars!

Some of the exciting activities to look forward to on May 31st will include a live local band named Rule of Thumb, who will show! John and Sharon Fletcher will be back again with 1 or 2 of their ponies, a live auction with items from companies such as Cervini's, Vortech, Paxton, Classic Design Concepts and also some of Joe's own rare and private belongings. Great news, we have our 3 magnificent BBQ chefs back again this year! Vic Chadwood, Pat Larocca and Mario Costa did not drop 1 single hot dog last year!

We'll have some very special guests here to talk to you and answer all of your questions. They include Hugh Evans, who will be here looking for features, Brad from Classic Design Concepts, Kim from MRT, Carl from Amsoil and Steve from Moly Slip.

Our dyno will be running all day, \$50 to a good cause for 2 pulls. This would be a great time to find out your cars power.

Shop Talk

The brand new 2010 Mustang has just arrived! We'll be doing some R&D on it and will reveal it at our Show & Shine on May 31st. Until then, you're more than welcome to come by for a look and sit in the stunning 2010 model.

We'd like to thank everyone for stopping by our booths to say hello at the 2009 shows, Performance World and Motion. We enjoy talking with everyone, seeing old friends and meeting new ones. Congratulations to all of our customers who won 1st place as well as runner-ups at both shows.

We understand that some of you are experiencing our back log; we are working around the clock trying to keep everyone happy and appreciate your patience. Please make sure to book appointments ahead of time as it is difficult to squeeze people in.

We receive, on average, 200 emails a day due to articles that Joe writes in Modified Mustangs and now, as well, PowrFord Magazine. We're doing our best, we did not expect to be as busy as we are, but are grateful in this economy. To book your appointment, call Joe at 905-837-7700.

We'd like to congratulate Huw Evans on his new magazine PowrFord. We're proud of you, Huw!

Canadian Street Car Nationals

Great news! We're happy to announce that Matco Tools has come on board as a major sponsor for our personal Canadian Street Car Nationals, August 14, 15 & 16th 2009, brought to you and ran by DaSilva Racing. Last year we had over 18,000 people and over 600 teams with some of the world's fastest street cars from all over the country. Dan Millen, 2008 CSCN Super Street champion, will be returning, Spiro Pappas will be back, all OSCA stars and many more!

This year we've added Pro Mod Outlaw, we're looking to see the baddest and fastest in the world here in our own backyard. Since we ran out of room for the Show & Shine last year, we have over an acre of space for 2009's! The Show & Shine will be held by the Maple Cruisers with a live band, hot dogs and pop for the competitors. Show your car and watch drag racing at the same time! For all Ford fans, we have an All Ford class, everything from Mustang GT's to Shelby's to Lightning's – everyone's welcome! Last year we had over 50 vehicles in this class, we're hoping to make it 100 this year! The winner of the All Ford class will receive a nice crystal trophy.

For further information on our race, please visit our CSCN website at www.canadianstreetcarnationals.com this site is updated every few days, so check in often!

The Canadian Street Car Nationals is becoming one of the biggest races in North America, so to avoid disappointment be sure to book your hotel now. For a list of nearby accommodations, follow the link on our CSCN website. **Find your \$5 off admission coupon enclosed!** Need more? Stop by our shop!

OSCA Events

All Ford races will be held on Sundays for the 11.50's and slower in the ¼ mile. A fun-filled day with the DaSilva gang there to help coach and give advice!

Huw Evans would like to announce – a personal note

Some of you may be aware that I left Modified Mustangs a few months ago. I felt that the magazine wasn't going on the path originally intended and as a result have decided to regroup with some members of the old team and launch a new title: PowrFord. This is among the first of its kind, a high quality enthusiast publication, dedicated to Mustangs and Fords that is fully digital and interactive. Available at www.powrford.com it provides a fresh perspective on the world of building, restoring, modifying and racing Mustangs and Fords.

I'd like to say thanks to Joe and the crew at DaSilva Racing for their support in this new venture and we look forward to an exciting future with PowrFord.com. We hope you'll enjoy the ride.
